**BECOME a unique part of permanent Canadian history** sign up now. *It is time that respectful, moral, ethical and caring Sovereign Spiritual Human Beings join together to challenge the GLOBAL RULING ELITES and their corporations' control of our communities and our lives.* We are a multi-faith based party that believes in a GOD/CREATOR, mutual respect, moral and ethical codes, traditional family values and responsible guardianship of the earth. We believe that our GOD/CREATOR has created "Sovereign Spiritual Human Beings" as the "CHILDREN of God/Creator and that we have inalienable sovereign rights. We believe that no Sovereign Spiritual Human Being can, or should, claim to be equal to or greater than their GOD/CREATOR.

We believe that "Sovereign Spiritual Human Beings" created "Artificial Persons", which include all "SOLE" & "AGGREGATE" government and other corporations and their agents, servants and advisors including Presidents, Kings, Queens, Prime Ministers, congresses, Parliaments and Senates, etc. These corporations were created by Sovereign Spiritual Human Beings in theory to serve the greater good of the "Children of God" in accordance with God's instructions. No Artificial Person/Government/other Corporation can, or should, claim to be equal or greater than their creators – the "SOVEREIGN SUPREME GOD & GOD'S CHILDREN.
